The Arcadia sofa features an electric mechanism to extend the seat and backrest, designed as a single structure to allow fluid, relaxing movement.

Narciso

A sofa featuring a lightweight design, with a strong visual impact. The leather upholstery is characterised by contrasting, highly sophisticated topstitching that offers this model a surprising touch of elegance.

In addition, the seat structure has a layer of memory foam, which perfectly adapts to the body, guaranteeing maximum comfort.

Narciso

Narciso

Narciso

In this version, Narciso is shown in a large corner composition. The tall, polished steel feet offer lightness and elegance to a model perfectly suited to young, modern settings.

Glamour

Glamour is characterised by a special design whereby the seat and backrest cushions are rested on a linear frame with the same padding. A single central topstitch on the sofa's seat upholstery offers this model a true sense of charisma.

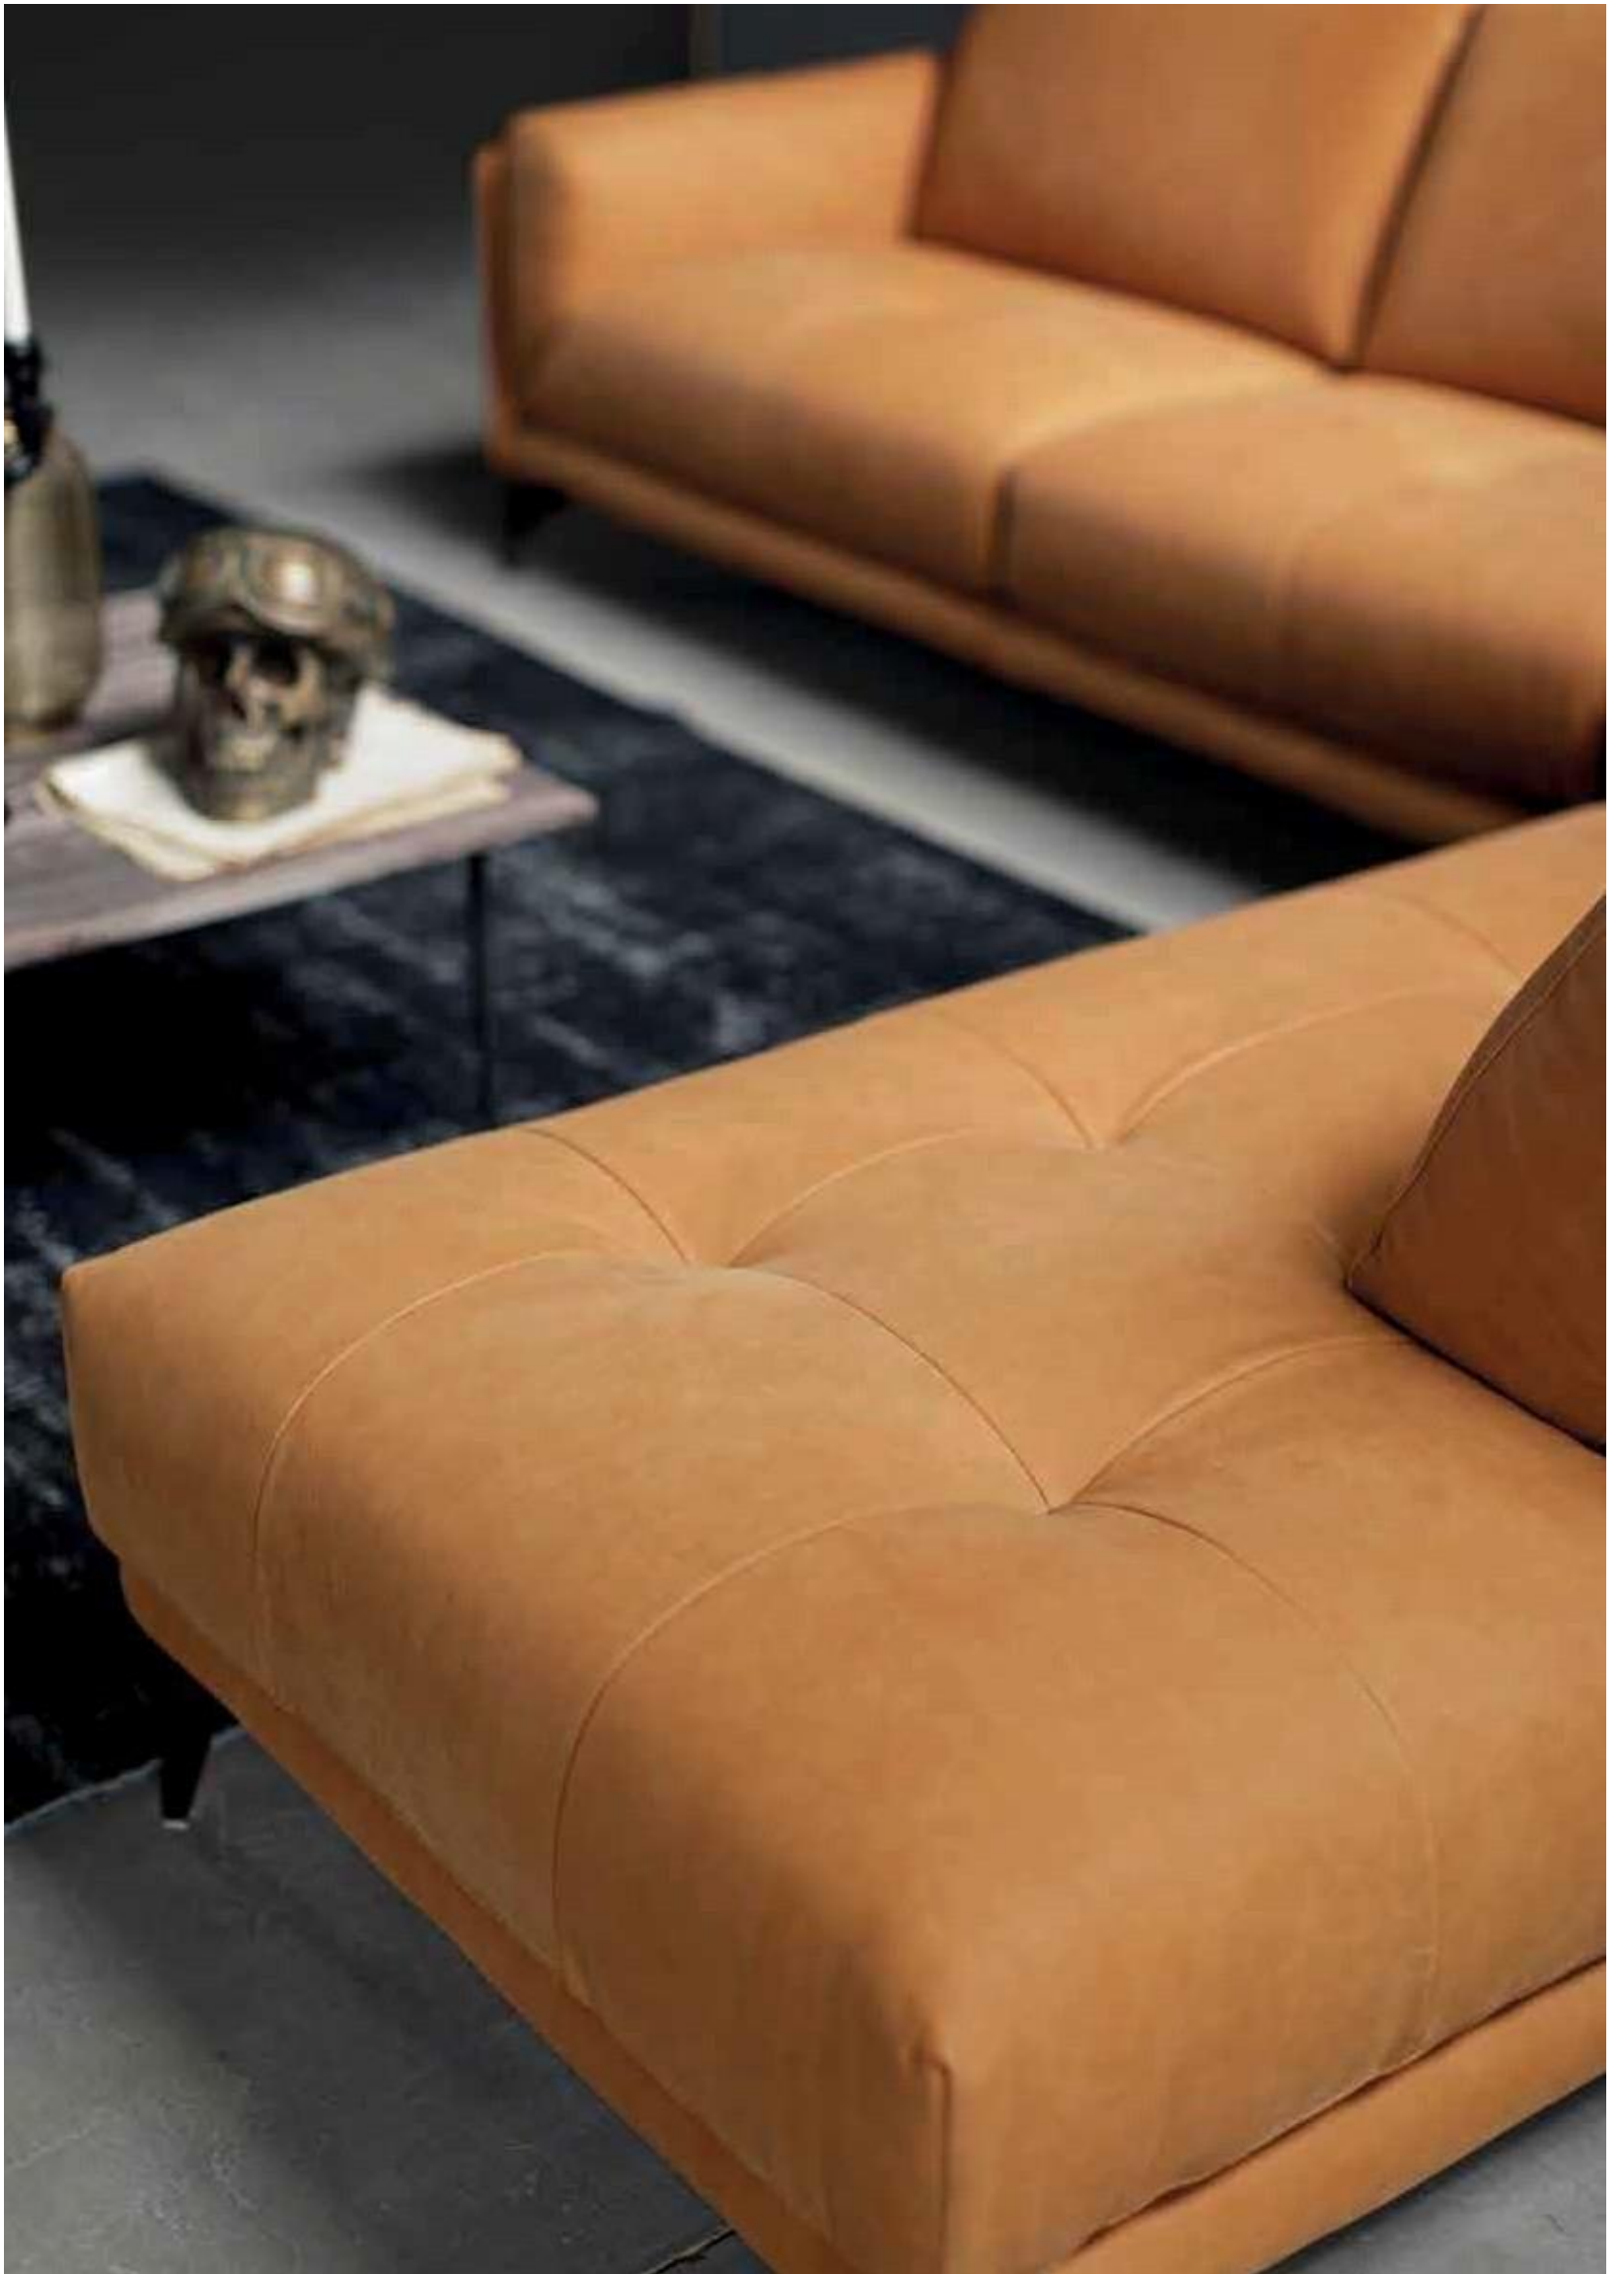

Glamour

Glamour

Cloud

The tufted upholstery of the Cloud sofa inspires a design of classic taste and timeless geometry, lightened by feet in stainless steel that give a touch of modernity. They transform the sofa into a light and comfortable cloud.

Cloud

Cloud

Equipped with a manually adjustable head rest, Cloud is also available in a modular version with three maxi seats and two different sizes of meridian angle.

Chic

Austere and ordered style, Chic is the result of a perfect balance between an elegant straight line design and minimalist taste, for a perfect synthesis of modernity and comfort. The sofa is available in different sizes, with the possibility to choose armchairs with reduced-size armrests to fit the space. The base in shiny stainless steel holds the particularly soft and comfortable seat and backrest in goose feathers.

A modern interior scene featuring a black leather sofa with a metal frame. In front of it is a dark wood coffee table holding several white geometric animal sculptures (a dog, an elephant, and a bear) and a glass dome containing a white coral-like structure. The background wall is composed of vertical wooden slats, and a dark textured wall is visible on the left. The word "Chic" is written in white text on the right side of the image.
